

Name: Ryan Johnson.

Aim: To get the same enjoyment from his work as he does from his pastimes.

Chess Partnership advert repeat from issue 5 or strip in supplied pdf

### It's not just your job title we're interested in.

That way we can find out exactly what you're looking for (both professionally and personally) before tracking down the working environment and role that will best suit your needs. As one of the true leaders in management and senior craft recruitment, we work with and advise many of the industry's leading businesses. So we're well qualified to offer the advice and support you need to develop your career to its full potential.

To find out more, visit [www.chess-partnership.com](http://www.chess-partnership.com) or contact one of our offices.
